

Team Name: AARDVARK (Hannah DeFazio, Nik Lamb, Ben Myrick, Jenna Ryan)

Report Number: 11

Reporting Week: November 11th - November 18th

Summary of work completed in prior week:

This week we attended class and finished our software design document. Because we've already finished the design presentation, we assigned various sections similar to those that were assigned for the design presentation. We also met to begin working on filling in the sections. We hope to present soon, and also begin data collection soon. During our next meeting, we will start planning our final presentation, and start drafting some more material code and prototypes.

Summary of work planned for next week:

To-Do's for the coming week:

- Finish Design Document
- Practice Design presentation

Open issues and action plan to resolve them:

No open issues currently, group thus far has been respectful and directed.
