

Team Name: AARDVARK (Hannah DeFazio, Nik Lamb, Ben Myrick, Jenna Ryan)

Report Number: 11

Reporting Week: November 5th - November 11th

Summary of work completed in prior week:

This week we attended class and obtained more information about how to properly write our software design document. Sean went over each of the sections from a template which gave us a better understanding of what our final document should look like. After class we delegated work for the design document and added class diagrams.

Summary of work planned for next week:

To-Do's for the coming week:

- Prepare Design Document
- Finalize and practice Design presentation
- Get started on putting together components and testing systems
- Start data collection

Open issues and action plan to resolve them:

No open issues currently, group thus far has been respectful and directed.
